

OECS

:10 & :15 PSAs – Radio Live Reads

10/03/13

:10

ANNOUNCER:

Switch from incandescent bulbs to energy efficient CFLs and LEDs. This Power Savers message is brought to you by the OECS Secretariat through a grant from the Caribbean Development Bank.

:10

ANNOUNCER:

Want to save money and gas when you drive? Avoid driving at excessive speeds. Every 5 mph you drive over 60 mph can reduce your fuel economy. This Power Savers message is brought to you by the OECS Secretariat through a grant from the CDB.

:15

ANNOUNCER:

Want to save money and energy at home? Turn off your TV and computer when not in use. And unplug your cellphone charger once it's fully charged. This Power Savers message is brought to you by the OECS Secretariat through a grant from the Caribbean Development Bank.

:15

ANNOUNCER:

Want to know how your computer can save you money and energy? Plug all your equipment into a power strip and turn it off when you're not using it. This Power Savers message is brought to you by the OECS Secretariat through a grant from the Caribbean Development Bank.
